

### **Marriott Honors Community Personal Storage**

This service is only available to students living in the Marriott Honors Community.

#### **The renter (student) of this personal storage space understands and agrees to the following:**

1. Storage is for a personal storage of non-perishable items only. The renter is not allowed to store any items prohibited in the residence halls (i.e. weapons, alcohol, flammable items, etc).
2. All items must fit completely within the lockable compartment. Any items left outside the lockable storage compartments will be removed without notice and disposed of.
3. Students released from their residence hall contract prior to the first day of classes for summer, fall or spring semester will be eligible for a refund.
4. Failure to comply with any part of this agreement will result in the loss of access to storage and the renter will forfeit any rental fees paid.
5. Housing & Residential Education accepts no responsibility for any items in the storage room; neither offers any kind of insurance or protection for it. A lock and personal property insurance is strongly recommended; the lock will not be provided by HRE.
6. I understand fraudulent use or misuse of the storage unit potentially could constitute a crime under state and/or federal law and thus subject me to both HRE and university sanctions as well as legal ramifications.
7. Students must remove any personal belongings from their storage space at the end of their contract period (unless they are returning from spring semester to fall semester and wish to pay the summer semester storage fee). Any belongings left for more than 10 days after a student ends their contract with Housing & Residential Education will be removed and processed. All items must be removed by May 1 each year. Students utilizing storage during the summer semester will be able to move their belongings after the first day of classes.
8. I understand that the storage space is to be used only by the renter. The renter is not allowed to sublease or transfer their storage space to anyone else (including shared usage with other Marriott Honors Community residents).
9. Misuse of storage unit or failure to fully comply with all aspects of this agreement could result in not being allowed to use storage in the future.
