

**This is an updated list of which Pods in Lassonde Studios have windows, and which do not. To find your room, simply put the number of the floor you are on in front of the last three digits. For example, if you are in Pod 2091, 3091, 4091, or 5091 – you will look to this list to view X091, which has no external window.**

**X072, no external window**  
**X073, no external window**  
**X074, yes, external window**  
**X075, yes, external window**  
**X076, no external window**  
**X077, no external window**  
**X078, yes, external window**  
**X079, no external window**  
**X080, yes, external window**  
**X081, no external window**  
**X082, yes, external window**  
**X083, yes, external window**  
**X084, yes, external window**  
**X085, yes, external window**  
**X086, no external window**  
**X087, ADA yes, external window**  
**X088, no external window**  
**X089, no external window**  
**X090, no external window**  
**X091, no external window**
