

Bicycle Storage Agreement

The renter (Student) of this bicycle storage space understands and agrees to the following:

1. Storage is for a bicycle only. No other personal property may be stored here. If property other than a bicycle is stored, the property will be removed without notice and disposed of. No motor-powered vehicle (including mopeds or similar vehicles) or flammables fuels may be stored.
2. Students released from their residence hall contract prior to the first day of classes for summer, fall or spring semester will be eligible for a refund.
3. Failure to comply with any part of this agreement will result in the loss of access to storage and the renter will forfeit any rental fees paid.
4. Housing & Residential Education accepts no responsibility for any stored bike or any other item in the bike storage room; neither offers any kind of insurance or protection for it. Personal insurance is strongly recommended as well as a personal lock.
5. We encourage you to register your bike with the Bike index @ www.bikeindex.org or in person with UPD.
6. Bikes left in storage at the end of the rental period will be removed, cross-referenced with UPD, stored for 60 days and then sent to the University Lost and Found Surplus.
7. Outdoor bike storage is under the oversight of Commuter Services and UPD, per Policy 3-232: Operating Regulations for Bicycles, Skateboards, Roller-skates and scooters (non-motorized riding devices). Please contact Commuter Services if you're inquiring about a bike that was left at the outside bike racks by calling 801-581-6415.
