

2020 Resident Addendum to the Housing & Residential Education Agreement

Housing & Residential Education is dedicated to doing its best to maintain a clean environment for students who choose to live on campus during the Novel Coronavirus pandemic. As you can imagine this is a challenging task and requires diligence on the part of everyone, including residents. Please plan to help us by doing your part in keeping your living spaces clean and complying with the CDC guidance on Covid-19 spread prevention (covering coughs/sneezes, regular hand washing, physical distancing, wearing a face covering, etc.). By choosing to live on campus, you agree to abide by all CDC, campus, local, state and federal guidelines for the well-being of the community and staff members.

HRE has extended the contract cancellation deadline to June 15 so that students could evaluate their own health and safety plan. While we would like for you to be part of the on-campus community, we understand if this is not the environment that best fits your needs at this time.

This includes, but is not limited to the following:

- *I understand that I will be encouraged (and may be required) to wear a face covering in housing and elsewhere on campus in the presence of others.*
- *I understand that unless/until governmental health authorities and the University approve social gathering, I will not be able to have guests or visitors in order to support social distancing.*
- *I understand and agree that if I become ill, I will utilize the Self-Report Form to alert HRE so that I can be provided support and others with whom I have been in contact can be notified and be provided support as well.*
- *I understand and agree that if a roommate or apartment-mate becomes ill with Covid-19, I will need to follow guidance by the HRE department and health officials, which will likely include isolating in-place for 14 days.*
- *I understand that I may be required to be tested for symptoms of Covid-19 (temperature checks, nasal swabs, etc.) and provide test results to HRE in order to support the safety of the community.*
- *I understand that I have contracted for a housing space and not a specific room. If circumstances arise, such as closing a building, I may be re-assigned to an alternate space.*
- *I understand that Dining Services will continue to comply with Health department guidance and may be primarily in a "To Go" format or limited seating format for the year.*
- *In compliance with the state of Utah health guidance, in order to assist us in understanding the Coronavirus transmission level risk where you are, please share the zip code of where you will be as of August 1, 2020. _____*
- *I understand and agree that I may be asked to provide confirmation of a negative COVID-19 test and/or submit to a COVID-19 test during my stay.*
