CALL TO ORDER

Information: 1.01 – Call to Order

The virtual meeting of the Board of Trustees was called to order at 9:02 AM via Zoom. Chair Christian Gardner welcomed all in attendance and excused J. Steven Price.

ACTION AGENDA

Action: 2.02 – Tuition and Fees for Academic Year 2021 - 2022

Senior Vice President Dan Reed introduced the proposed tuition increase of no more than 2.5% and explained that when combined with a 0% increase in student fees the actual total overall increase is roughly 1.8%. He noted that the Truth in Tuition session was held in a virtual format on Monday, March 8th. Students and other interested campus and community members were invited to participate and to send comments and questions in advance.
Summary of Tuition Increase:
- 2.5 percent tuition increase
- Move the following Student Fees to Tuition (Total of $29.50/semester)
  - Library Fee ($13.50/semester)
  - Utilities Fee ($10.00/semester)
  - Money Management Fee ($3.00/semester)
  - Study Abroad ($3.00/semester)

Summary of Differential Tuition Increase:
- Professional Master of Science & Technology program - $230/credit hour
  This differential rate will replace a previously charged program fee of $575 per semester and is cost neutral to students over the length of the program.
- Masters of Recreational Therapy Program - $1,500 per semester
  Requesting to distribute the same amount of differential tuition (currently $27,758.16) across the five semesters of the new curriculum as opposed to over the six semesters of the old curriculum.
  Rationale: This will allow the student to graduate sooner to meet the demands within the profession while allowing the academic program to stay marketable for students.
- Master of Education for Health Professionals - $279/credit hour

President Watkins expressed gratitude for the thought, care and detailed effort that has gone into these recommendations. She noted the dialogues and important questions raised by the Trustees and the thoughtful work on the part of leadership to strike the right balance to ensure quality and student outcomes while doing all we can to manage cost.

Additional clarifying questions were raised and addressed prior to the motion to approve the proposed tuition increase.
